

FREE PATTERN

Chiffon Scarf in Estelle Fabric Fantasy Liberty Yarn

Materials:

1 ball Frill Seeker Fabric Fantasy Liberty

4mm needle

Cast on 5 sts.

To cast on insert needle through each hole at the top of the yarn from front to back.

Bring needle over the fabric and insert into second hole.

Continue until you have 5 stitches.

You will knit through the hole at the top of the fabric also.

Knit all stitches using normal knit stitches (from front to back).

Knit until scarf is the desired length.

Cast off.

Pull whole strand through last loop to fasten off.

Weave in the end.

Please Note: It is possible that there will be two lengths of fabric in the ball. This is a result of the manufacturing process. To join them, overlap the ends by approx. 4 holes, knit through both layers. The join will not be noticeable in the finished scarf.

Thank you for knitting with Estelle Yarns.
